Subject: Museum and Library Parking Lot Rehabilitation

Please be advised that the Town of Perth will be repaving both the museum and library parking lots on Herriott St (indicated in black in the map below). The work will involve full depth asphalt removal, minor curb repairs, two (2) lifts of new hot mix asphalt and new line painting. The asphalt alleyway beside the Perth Restaurant will also be regraded and replaced with interlock stone.

Both lots will be closed for parking for approximately 4-5 weeks. Parking pass holders will be permitted to park free of charge in any of the alternate municipal lots (Crystal Palace or Wilson St Lots) or on street parking.

For any additional questions do not hesitate to contact the undersigned.

Sincerely,
